

# ROLA Information

5/2022

Vienna, April 2022

## **ROLA Maribor-Wels** **Immediate truck unloading after ROLA train arrival in Wels** **Valid from 19.04.2022**

**For safety reasons, all trucks loaded onto ROLA trains must be unloaded immediately after the train arrival in Wels.**

As soon as the railway staff has given the approval for the trucks to leave the ROLA trains, the trucks must depart immediately. The terminal area must be also left after departure.

Trucks remaining on the ROLA trains or delaying the unloading process disturb operations on the terminal and are a safety risk. Processing fees of up to EUR 150 will be charged.

We ask for your understanding,  
Your ROLA team

*Note §15b of the Working Time Law: a two-time interruption of the daily rest period is permitted for combined transport, for example on the railway.*
