ROLA Wörgl-Brenner v.v. Reorganisation of the check-in at Wörgl and Brenner agency starting with 2023

Dear Ladies and Gentleman,

starting with 2023 the check-in of the ROLA shuttle Wörgl-Brenner v.v. at the Wörgl and Brenner agency will be redesigned and a check-in surcharge will be implemented.

From January 1st, 2023 the following will be applied. The check-in surcharge for trips will be

- **With pre-booking 0 EUR per trip**
- **Without pre-booking 30 EUR per trip**

We would like to draw your attention to the pre-booking options of the ROLA Wörgl-Brenner v.v. You can directly send your booking request through the ROLA website www.rola.at or via e-mail to rola@railcargo.com. By booking in advance you avoid the check-in surcharge at the ROLA Wörgl-Brenner v.v. and you help us to better plan your required train connections.

The ROLA Wörgl-Trento v.v. is not affected from the check-in surcharge.

If you have any questions please contact the ROLA team through the contact details below.
