

ROUNDTRIP DISCOUNT BRENNER LINE RR_B_01/2022

Validity:

Valid from 01.01.2022 until further notice, but not later than 31.12.2022

Roundtrip discount:

The roundtrip discount is calculated for every calendar month and starts from the 8th roundtrip. A roundtrip is defined as a trip north-south (Wörgl-Brenner or Wörgl-Trento) and a trip south-north (Brenner-Wörgl or Trento-Wörgl).

The direction with the lower number of trips serves as a calculation base. The roundtrip discount will be granted starting from the 1st roundtrip.

number of ROLA roundtrips per calendar month	discount per roundtrip
$8 \leq 20$	€ 12
$21 \leq 30$	€ 14
$31 \leq 40$	€ 16
≥ 41	€ 18

Terms and conditions

- Only valid according to separate customers agreement (request to rola@railcargo.com).
- Only valid for direct ROLA users, for instance hauliers and freight forwarders with an own transport fleet or freight orders (excl. resellers like booking offices, collecting agencies, agency partners, etc.)
- A multiple applying of the same trips and roundtrips for roundtrip agreements of different hauliers and freight forwarders with an own transport fleet or freight orders is excluded.
- Discounts will be granted in the subsequent month.
- Further terms and conditions according to our valid price list.
- No liability for mistakes, subject to any operational and other changes.
