## Rolling Road (ROLA) - 2019

Dear ladies and gentlemen,

on our website [rola.at](http://rola.at) you can find our new prices which will be valid from 1. January 2019.

In coordination with all service providers involved in ROLA, we managed to keep the ROLA price adjustment for 2019 below the consumer price index.

In 2019 we will continue to work to improve the quality of our services and we would like to thank you for placing your trust in us. In the New Year our focus will continue to be on safety, quality and punctuality of our trains, as well as on customer-oriented service in the booking office and the agencies.

From the mid-January 2019 on, the entire ROLA-leaflet including timetables, prices, booking system, conditions and so on, will be available for download on our new homepage [rola.at](http://rola.at). On request, we also send you a printed version.

We are looking forward to continuing our good cooperation in the New Year.

Yours sincerely

Rail Cargo Operator – Austria GmbH
